■ **WHAT** do you want in your park?

This week Gloucester City Council is offering residents the opportunity to offer ideas and opinions about Matson Park so come along to the public open space strategy exhibition.

There will also be a meeting on Thursday, from 6.30-8.30pm, for you to attend. Both will be held at the Matson Neighbourhood Project, Matson Lane, Matson.

■ **HAVE** you had your Fair Share?

Fair Shares is a new scheme being set up in Matson, Coney Hill, White City and Podsmead.

If you have skills to offer others or need help yourself, joining Fair Shares could be for you! Contact me or Fair Shares on 01452 541 337 for further information. You may have needs but feel you can offer nothing back – get in touch – Fair Shares can still help you.
